John Griffith Jack London, was an American author, journalist, and social activist. A pioneer in the then-burgeoning world of commercial magazine fiction, he was one of the first fiction writers to obtain worldwide celebrity and a large fortune from his fiction alone. Some of his most famous works include *The Call of the Wild* and *White Fang*, both set in the Klondike Gold Rush, as well as the short stories *To Build a Fire*, *An Odyssey of the North*, and *Love of Life*. He also wrote of the South Pacific in such stories as *The Pearls of Parlay* and *The Heathen*, and of the San Francisco Bay area in *The Sea Wolf*.
