

# Legal Issues in Professional Hockey: National and International Dimensions

This volume will be the third in an ongoing project on the legal regulation of athletics. It will consist of a set of research essays on a variety of legal issues facing professional hockey. The contributors are a distinguished group of academics and practitioners who have long focused their intellectual efforts on the legal governance of professional and amateur athletics. And this is a much needed addition to the law literature both in the United States as well as internationally. Professional Hockey, unlike other North American professional sports has multiple international dimensions. This study provides a thorough, needed and up-to-date discussion on the application of criminal, tort, labor, bankruptcy, tax and international law in matters dealing with hockey by enlisting key legal scholars, academics and practicing attorneys and solicitors who are widely recognized in their specific fields. Since hockey as a professional sport is expanding and developing all over the globe, this work is a timely contribution to the legal aspects of its existence and development. Chapter I. Introduction Lewis Kurlantzick introduction and commentary on the content of all the succeeding chapters Chapter II. Application of criminal law to episodes of hockey violence; correct approach and standard to apply. Roger Abrams, noted Sports Law professor and co-editor of leading casebook in the field Chapter III. International relations and international agreements between National Hockey League (NHL) and foreign hockey leagues. James McCurdy, noted Sports Law professor and co-editor of one of leading casebooks in the field Chapter IV. Economics of National Hockey League Andrew Zimbalist, prominent sports economist Chapter V. Regulation: The system that regulates entry level players to the NHL: eligibility for the entry draft, rookie salary cap, access to salary

arbitration and free agency. Dr. Joseph Weiler, distinguished Canadian professor of sports, media and entertainment law, member of Faculty of Law at University of British Columbia, highly experienced mediator and arbitrator.

Chapter VI. Bankruptcy law and league rules: The Case of the Phoenix Coyotes  
Kenneth Ferguson, head of American Association of Law Schools (AALS) Section on Law & Sports and bankruptcy law scholar.

Chapter VII. The NHL Concussion Litigation  
James Goodfellow, Chicago labor and employment practitioner

Chapter VIII. Taxation of professional hockey players (including international tax dimension)  
Alan Pogroszewski and Kari Smoker, taxation specialists with experience in representation of professional hockey players.

Academica Press is an independent scholarly press specializing in publishing monographs and reference material in the humanities and social sciences. We are particularly interested in producing works of scholarly interest English language studies, literary history and criticism, drama, sociology, education and Irish studies.
