

Basic Skills for Home Care Aides DVD #3 (Basic Skills for Home Care Aides DVD Series)

Basic Skills for Home Care Aides DVD Series will cover the core skills covered on the NAHCs certification exam. This series will show learners 80 core skills in an easy-to-follow, step-by-step format. By allowing the learners to observe the skills from start to finish, they will have a better understanding of everything they'll need to know including all of the equipment they'll need and how long each procedure takes from start to finish. By concentrating on the core skills required to pass the certification exams, learners will be able to view all the steps needed to complete each skill on which they will be tested. This DVD series can be used as either a standalone or as a supplement to Spatz/Balduzzi/Homemaker Home Health Aide, 6E.
