

Boswells Life of Johnson: Including Boswells Journal of a Tour of the Hebrides, and Johnsons Diary of a Journal Into North Wales, Vol. 2 of 6 (Classic Reprint)

Dr. Johnson was so busily employed with his edition of Shakspeare, as to have had little leisure for any other literary exertion, or, indeed, even for private correspondence. He did not favour me with a single letter for more than two years, for which it will appear that he afterwards apologised. He was, however, at all times ready to give assistance to his friends, and others, in revising their works, and in writing for them, or greatly improving their Dedications. In that courtly species of composition no man excelled Dr. Johnson. Though the loftiness of his mind prevented him from ever dedicating in his own person he wrote a very great number. Had he been busily employed he would, no doubt, have finished the edition in a few months. He himself had recorded at Easter, 1765: My time has been unprofitably spent, and seems as a dream that has left nothing behind. Pr. and Med., p. 61. r Dedications had been commonly used as a means of getting money by flattery. I. DI sraeli in his Cala7nities of A uthors, i. 64, says: Fuller s Chit)-ch History is disgraced by twelve particular dedications. It was an expedient to procure dedication fees ;for publishing books by subscription was an art not yet discovered. The price of the dedication of a play was, he adds, in the time of George I, twenty guineas. So much then, at least, Johnson lost by not dedicating I rene. However, when he addressed the Plan of his Dictionary to Lord Chesterfield ante, i. 212) he certainly came very near a dedication. Boswell, in the Hypocho Jtdriack, writes: For my own part, I own I am proud enough. But I do not relish the stateliness of not dedicating at all. I prefer pleasure to pride, and it appears to me that there is much pleasure in honestly expressing ones admiration, esteem, or affection in a public manner, and in thus contributing to the happiness of another by making him better please(Typographical errors above are due to OCR software and
