Chloe Smithson knows a good story when she sees one, as an awarded investigative journalist working in Washington D.C., it's her job. So when she stumbles across the path of one handsome, devil-may-care, playboy she decided it might be in her best interest to follow her instincts and see where it leads. Unfortunately for her, she doesn't realize until it's too late that the man she's pursuing is none other than Russian billionaire Alexei Dobrovski, notorious for his good luck, charisma, and ties to the nefarious Bratva, the Russian mafia. Will she uncover who he is before it's too late? And more importantly, will she give him the chance to prove who he really is before she says goodbye to him forever? Love is never easy, especially when they have inclement weather, several countries, and the entire Russian mafia standing between them. Will Chloe and Alexei do what they must to overcome all odds, and take a gamble on love? Bonus Books Included Inside! KINDLE UNLIMITED MEMBERS READ FOR FREE!
