

## Woodstock: Master of Disguise: A Peanuts Collection (Peanuts Kids)

Woodstock might be the smallest of all the Peanuts gang, but hes got a lot to say, even if Snoopy is the only one who understands him. Thats because Snoopy is Woodstocks Friend of Friends, and together they write masterpieces, fly airplanes, find the perfect place to nap, and win over the hearts of readers all over the world. Whether hes falling in love with a snowflake or crash-landing on the tip of Snoopys nose, Woodstock is the little yellow bird with a big personality. It takes more than a strong wind to ruffle Woodstocks feathers, although its a good thing he has Snoopy to keep his little yellow feet on the ground. Dont miss out on the newest AMP! Peanuts collection featuring Woodstock, the most recognizable yellow bird in the worldeven in disguise! Charles Schulzs Peanuts is one of the most timeless and beloved comic strips ever. Now AMP! is carrying on that legacy with new collections of Peanuts classics for middle-grade readers. First published in 1950, the classic Peanuts strip now appears in more than 2,200 newspapers in 75 countries in 25 languages. Phrases such as security blanket and good grief, which originated in the Peanuts world, are now part of the global vernacular, and images of Charles Schulzs classic characters--Charlie Brown kicking the football, Lucy leaning over Schroeders piano--are now universally recognized. Together these books will introduce a new generation of kids to the lovable cast in time for the new animated Peanuts movie, which hits theaters in 2015!
