

Craving Jamie

Who was she? She stood out from the crowd, and Jim Neilson, his sexual curiosity piqued, was drawn to her side. The air sizzled between them. Who was he? Did Jim still carry traces of the young Jamie she had known and loved as they had grown up together in the valley? Beth Delaney sensed a man who had distanced himself from all emotion. She craved more than a physical union with this seductive man even though he had obviously forgotten their childhood bond. If she could reach the vulnerable boy inside, might the Jamie she remembered reappear? Or was one night in Jim's arms all she could hope for? Emma Darcy, with more than 60 million books in print, is one of the world's favorite romance authors.
