

Surrender to a Donovan (The Donovans Book 8)

Sean Donovan is a man on a mission to discover who is behind the popular relationship column that has transformed his family-owned magazine into Miami's hippest glossy. But Tate Dennison isn't the sassy columnist the hardworking bachelor expected. Nor is he prepared for the flash fire of passion the stunning single mother arouses. The hunky magazine executive wants to mix business with pleasure, but Tate has one hard and fast rule: never fall for the boss! The once-burned advice columnist has no intention of becoming the devastatingly attractive playboy's latest conquest. But what woman can resist Sean's charms? Once she's sampled his kisses, can Tate protect her heart even when a sabotage plot threatens the Donovan empire and their possible future together?
