

Discovery Plus: Knights and Battles

Learn about the history of knights and famous battles, as well as the induction into knighthood, the extensive armor worn in battle, and the different forms of combat a knight had to master. This interactive 48-page book also includes diagrams of the interiors of castles and focuses on knights around the world, including Japanese Samurai and Mongolian Chieftains. Each page is filled with interesting facts that are uniquely designed with acetates, pull-tabs, and wheels to capture the attention of children of all ages.
