

Style Statement: Live by Your Own Design

STYLE STATEMENT is an inspiring take on the power of style and authenticity. Deemed style psychotherapists, Carrie and Danielle are the creators of the Style Statement: a two-word compass that helps you make more confident choices in life -- from your wardrobe to your relationships, your living room to your career plans. Part workbook, part inspirational narrative, STYLE STATEMENT presents a series of inquiries that lead readers to the personal words that guide the spirit, look and feel of their life. The first word represents your foundation, your 80%. The second word, your 20%, is what motivates and distinguishes you. Via Carrie and Danielles Lifestyle Map, readers then explore how their own unique Style Statement can generate momentum in every area of their life.
