

## Alexandria: A History and a Guide

The aim of the Abinger Editions is to provide a new, properly edited library of the literary works of E.M. Forster that does justice to his literary genius. The latest in the series is Alexandria, written while Forster was in Egypt during the First World War. This edition collates and compares all the existing editions of the work to provide the definitive version of the text. It also contains the subsequent work by Forster, Pharos and Pharillon.
