

God Gave Us Two

Now that Mama polar bear has another baby in her tummy, Little Cub is bursting with curiosity. Why do we need a new baby? she asks. If we don't like the new baby, can we send it back? Will you forget me when the new baby comes? Gently and lovingly, Mama and Papa assure their firstborn that the new baby is a gift from God they want very much, just as Little Cub was and still is. God gave us you. Now he's given us two! The winsome sequel to *God Gave Us You*, *God Gave Us Two* playfully affirms a child's uniqueness and place in the family and helps little ones accept, appreciate, and love their new siblings.
