

Highland Fling (The Highland Series Book 1)

Forbidden passion has never been more dangerous or more irresistible in the first novel of bestselling author Amanda Scott's spellbinding Highland series. Scotland, 1750. In the aftermath of the Jacobite rebellion, Maggie MacDrumin vows to keep fighting to liberate her people. But the intrepid Scotswoman is risking her life for a dangerous cause. When her latest mission lands her in a London courtroom on a trumped-up larceny charge, she has only one hope of survival. Enlisting the aid of Edward Carsley, the powerful fourth Earl of Rothwell, is a two-edged sword. The seductive aristocrat who awakens treacherous desire is her clan's mortal enemy—a man she can never trust. Edward will do whatever it takes to quell another bloody uprising. But how can he fight his passion for the rebellious Highland beauty in his safekeeping? As their lives come under siege, Maggie lays claim to the one thing Edward vowed never to surrender: his heart. *Highland Fling* is the 1st book in the Highland Series, but you may enjoy reading the series in any order.
