

Kim

Kim, aka Kimball OHara, is the orphan son of a British soldier and a half-caste opium addict in India. While running free through the streets of Lahore as a child he befriends a British secret service agent. Later, attaching himself to a Tibetan Lama on a quest to be freed from the Wheel of Life, Kim becomes the Lamas disciple, but is also used by the British to carry messages to the British commander in Umballa. Kims trip with the Lama along the Grand Trunk Road is only the first great adventure in the novel...
