

## Kynetic: On Target

Sometimes youre the hunter. Sometimes youre the target... The amateur superhero Kynetic knows what she wants: her own vigilante license from the government and to be partners with Failstate, both as heroes and romantically. And what Kyn wants, she usually gets. But this time, shes facing an obstacle, namely Failstates girlfriend, Charlene. If only Kyn could get her out of the way... When a trio of supervillains known as the Hels Belles offer to help Kyn take out a more powerful criminal, she knows they cant be trusted. But Kyn recognizes it as a way to not only advance her career, but drive a wedge between Failstate and Charlene. Kynetic could get everything shes ever wanted, but only if she can remain on target.
