

River God (Eagle Large Print)

For Tanus, the fair-haired young lion of a warrior, the gods have decreed that he will lead Egypt's army in a bold attempt to reunite the Kingdoms' shared halves. But Tanus will have to defy the same gods to attain the reward they have forbidden him, an object more prized than battles' glory: possession of the Lady Lostris, a rare beauty with skin the color of oiled cedar--destined for the adoration of a nation, and the love of one extraordinary man. International bestselling author Wilbur Smith, creator of two dozen highly acclaimed novels, draws readers into a magnificent, richly imagined saga. Exploding with all the drama, mystery and rage of a bygone time, *River God* is a masterpiece from a storyteller at the height of his powers.
