

SHIFTER ROMANCE: Bearer Of Secrets (Paranormal Werewolves & Shifters Romance, BBW Fantasy Romance) (Contemporary Paranormal Romance)

I woke up from a terrible dream only to realize that it was real -- my friend Dean, this impossibly hot shifter cowboy, is the only man I know who can understand what I'm going through. He's the only person I know who will help me escape this nightmare. I need him now more than I would have ever imagined. Marisol Being the daughter of a bullfighter and a former rodeo queen, I've seen thousands of cowboys come and go, but I've never laid eyes on any man as expertly skilled--or as sexy--as Dean Longstrider. Little did I know that over the summer, I'd discover an unexpected and dangerous side of myself--and Dean is the only person I know that I can turn to for help. Dean Being in this business sure comes with its perks. I have more offers from ladies than I know what to do with, but thing is, none of that matters to me--I have my eye on one woman and one woman alone: Marisol. She's a great girl, and God, when I think about what I could do with those curves...it's enough to drive a man--or werebear--buck wild. When Marisol told me she was in trouble this summer, I swore to do whatever it would take to keep her safe, to protect what's mine, even if it costs me the championship--or more... *** Includes A Sizzling Multi-Genre Romance Sampler From Red Lily Publishing, Featuring EVEN MORE Racy Paranormal Romance Packed With LOADS of Lusty Shapeshifters -- 23 Stories For The Price Of One! *** WARNING!
