

# Shapes, Colours & Count (Fun Learning Series) (Volume 1)

This is the first book in the Fun Learning Series. The objective of this book is to assist the parent/grandparent or teacher to teach early learners the most common colours and shapes. The brightly coloured pages contain a combination of nearly 100 colours/shapes to enhance the learning process by the flexibility to allow the tutors to extend learning to suit the child's capability and at their pace.
