

## Pursuit (The Legend of Jimmy Book 3)

Ginny handed me a letter. It was from my mother. Mom was accused of murdering my father and I was her only hope. We'd been estranged, but I knew I had to go ... so did Ginny. What now? Life had been so perfect at the lake. Too perfect, maybe. I didn't know it at the time, but the separation from the Harris family realities was about to come to a harsh and bitter end. Ginny and I had a son ... Michael. The sweetest boy one could ever hope for. But Michael had a secret ... he was more like his dad than I knew. He saw and heard things ... even more than I could. The day I drove away I watched my family disappear in the rear view mirror. I would have turned around instantly if only I had known the truth. It would be a trip like no other. A trip of discovery, horror, and heartache.
