

Soul Picnic: The Music and Passion of Laura Nyro

Laura Nyro was a beloved and pioneering singer-songwriter of the 1960s and 1970s, whose songs were covered with great success by the Fifth Dimension; Blood, Sweat & Tears; Three Dog Night; and Barbra Streisand. This first biography from Michele Kort, *Soul Picnic*, uncovers previously never revealed details, including a love affair with Jackson Browne, and her relationship with painter Maria Desiderio. Unappreciated in her time, Nyro's legacy is currently experiencing a revival. With her groundbreakingly honest and passionate lyrics, her unusual and innovative rhythms and melody, Nyro's influence is still felt by singers and songwriters today.
