

## Suspense

Suspense is the final novel by author Joseph Conrad, best-selling and critically acclaimed author of *Heart of Darkness* and *The Secret Agent*. Although left unfinished upon his death in 1924, this little-known work proves Conrad as a master of form and a genius author. The story is set in Italy at the very end of the Napoleonic wars, and features the young Englishman Cosmo Latham, who at the novel's opening is just arriving in Genoa, not so very far from the former emperor's place of exile, Elba.
