

The Book of Mormon: Another Testament of Jesus Christ (Official Edition)

The Book of Mormon is a volume of scripture comparable to the Bible. It is a record of Gods dealings with the ancient inhabitants of the Americas and contains, as does the Bible, the fullness of the everlasting gospel. The book was written by many ancient prophets by the spirit of prophecy and revelation. Their words, written on gold plates, were quoted and abridged by a prophet-historian named Mormon. The record gives an account of two great civilizations. One came from Jerusalem in 600 B.C., and afterward separated into two nations, known as the Nephites and the Lamanites. The other came much earlier when the Lord confounded the tongues at the Tower of Babel. This group is known as the Jaredites. After thousands of years, all were destroyed except the Lamanites, and they are the principal ancestors of the American Indians. The crowning event recorded in the Book of Mormon is the personal ministry of the Lord Jesus Christ among the Nephites soon after his resurrection. It puts forth the doctrines of the gospel, outlines the plan of salvation, and tells men what they must do to gain peace in this life and eternal salvation in the life to come. After Mormon completed his writings, he delivered the account to his son Moroni, who added a few words of his own and hid up the plates in the hill Cumorah. On September 21, 1823, the same Moroni, the a glorified, resurrected being, appeared to the Prophet Joseph Smith and instructed him relative to the ancient record and its destined translation into the English language. In due course the plates were delivered to Joseph Smith, who translated them by the gift and power of God. The record is now published in many languages as a new and additional witness that Jesus Christ is the Sone of the living God and that all who will come unto him and obey the laws and ordinances of his gospel may be saved. Concerning this record the

Prophet Joseph Smith said: I told the brethren that the Book of Mormon was the most correct of any book on earth, and the keystone of our religion, and a man would get nearer to God by abiding by its precepts, than by any other book. In addition to Joseph Smith, the Lord provided for eleven others to see the gold plates for themselves and to be special witnesses of the truth and divinity of the Book of Mormon. Their written testimonies are included herewith as The Testimony of Three Witnesses and The Testimony of Eight Witnesses. We invite all men everywhere to read the Book of Mormon, to ponder in their hearts the message it contains, and the to ask God, the Eternal Father, in the name of Christ if the book is true. Those who pursue this course and ask in faith will gain a testimony of its truth and divinity by the power of the Holy Ghost. (See Moroni 10:3-5.) Those who gain this divine witness from the holy Spirit will also come to know by the same power that Jesus Christ is the Savior of the world, that Joseph Smith is his revelator and prophet in these last days, and that The Church of Jesus Christ of Latter-day Saints is the Lords kingdom once again established on the earth, preparatory to the second coming of the Messiah.
