

Original Memoirs of the Sovereigns of Sweden and Denmark, Vol. 1 (Classic Reprint)

The Eleventh issue of the Collection of Court Memoirs is the Secret History of the Courts of Sweden and Denmark. These Memoirs are reprinted from an edition published in 1818, and are of more than ordinary interest, the Author having exercised great care to present his work in as complete a form as possible. Mr. John Brown (author of The Mysteries of Neutralization, The Naval Advocate, and other Tracts relative to Neutral Flags and the Rights of Belligerents), in his Notes to the work, has quoted to a very great extent from other writers, and in some instances has considered it necessary to criticise their statements. Two of the Danish Sovereigns whose Memoirs are given in this issue came to England for their Consorts. (Typographical errors above are due to OCR software and dont occur in the book.)
