

The Spirit of Cardinal Newman (Classic Reprint)

John Henry Newman; you always make me happy when I am uncomfortable. His wider family, which is Christ's, is learning to-day how truly he always understood. Doubly a prophet, he grasped and uttered forth the meaning of his baffling generation; he foresaw and foretold to those who had ears of hearing, the things that were coming, which are the instincts and hopes and perversities of our own age, born of his. This we are realising. But does he always make us happy? Happiness, doubtless, we may learn from him. Still, we shall not forget that, with his seership, came a call to martyrdom. Solitary in spirit, supremely aware of two only realities, of God, and of self elect and yet rebellious, he from the beginning was on the rack of his own soul, and, in moments even of most expansive gaiety, never ceased to shudder at himself.
