

## The Rampage of Haruhi Suzumiya (The Haruhi Suzumiya Series Book 5)

What Haruhi wants, Haruhi gets! Stunning, brash, and completely clueless about her powers, Haruhi Suzumiya can make anything bend to her will. Although she doesn't know it, she's a goddess who has the ability to destroy the world--don't make her mad! Luckily, she has her SOS Brigade (a club comprised of her high school's most extraordinary students) to keep her happy. This fifth volume in the wildly fun and unpredictable Haruhi Suzumiya series features three short stories for Haruhi's every mood--an endless (never-ending) summer, a heated (overheated) competition with the computer club, and a ski trip getaway (with a dangerous blizzard!). Join the frenzy and fun with the fifth book in the phenomenal bestselling series that took the world by storm with over 4.5 million copies sold.
