

The Princess Diaries

You're not Mia Thermopolis any more, honey, Dad said. You're Amelia Mignonette Grimaldi Thermopolis Renaldo. Princess of Genovia. A PRINCESS?? ME??? Yeah. Right. One minute Mia's a totally normal Manhattan fourteen-year-old. Next minute she's heir to the throne of Genovia, being trailed by a bodyguard, taking princess lessons with her uncontrollable old grandmere, and having a makeover with someone called Paolo. Well, her dad can lecture her till he's royal blue in the face, but no way is Mia going to turn herself into a style-queen. And they think she's moving to Genovia? Er, hello? The Princess Diaries by Meg Cabot has been a phenomenal global success. This ever-popular series continues in the second book, A Royal Disaster.
