

Zephyr Spheres and the Sword of Wonders

Zephyr Spheres despises her foster mother, Mrs. Krumple, who treats her like a household servant. She is sick and tired of being teased at school by Trinda Temple and her friends. And to make things worse, when Zephyr accidentally turns Trinda Temple into a doll at school, Mrs. Krumple plans to sell her to the government. That is, until Zephyr finds her way to Danus, the world of magic. There, Zephyr finds the answers to the questions about her disturbing past. But when Zephyr also discovers that her father has been kidnapped by a member of an evil alliance, she must adapt to her new surroundings and unravel the mystery of a magic sword before its too late.
